“PUT THE WORD OUT”

LIFE / MOTIVATIONAL

Believe in Yourself

Just for today, be happy!

Imagination rules the world

Stand a little taller

Live. Laugh. Love.

NEVER give up!

Scatter Sunshine

Kindness begins with me

Live the life you imagine

Live Well, Laugh Often, Love Much

Oh, the places you'll go... Dr. Seuss

Conceive it. Believe it. Achieve it.

Try a little harder to be a little better

Those who reach, touch the stars

Enjoy this moment for this moment is your life

Simple pleasures are life's treasures

Never forget...you're never forgotten

Potential – Everyone has it!

When it's dark enough you can see the stars

Hitch your wagon to a star

Hearts Gather Ideas never work unless we do

Live now – the dust will settle

The most important things in life aren't things

If not now when?

I know who I am, I know what I stand for

Find joy in your journey

It is NEVER to late to have a happy childhood

Live Well – Love Much – Laugh Often

Ordinary people make extraordinary heroes.

Laugh and the world laughs with you

Even the longest journey begins with a single step

Make your impossible dreams a reality

It isn't life that weighs us down – its how we carry it

If your are going to think anyway, you might as well think big

The smallest deed is greater than the grandest intention

Walk towards the sunshine and the shadows will fall behind you

When you get to the end of your rope, tie a knot and hang on!

The real competition isn't with others, it's with ourselves.

The grass is not greener on the other side – its greener where you water it

The world is but a canvas to our imagination

It's nice to be important, but it's more important to be nice

WE create our tomorrows by what we dream today

It's a huge heart that remembers to do small things

True happiness is wanting what you already have.

Plan ahead... it wasn't raining when Noah built the ark.

LOVE

Have I told you lately that I love you?

When we love...we grow

If you wish to be loved, love

Love is all you need - The Beatles

Love means holding hands, not grudges

You complete me.

Life is the first gift love is the second

Love is spoken here

Love at home

Put your heart into it

How do I love thee? Let me count the ways.

Appreciation is the memory of the heart

You don't have to understand me, just LOVE me!

Grow old along with me the best is yet to be

A great marriage is not so much finding the right person as being the right person

When someone you love becomes a memory that memory becomes a treasure

He loves me... He loves me not. It matters little, I'm what he's got

The love in your heart wasn't put there to stay, love isn't love till you give it away

GARDENING

Where flowers bloom so does hope

A bushel of blessings

Gardening is decorating outside

No rain – No rainbows

Plant Smiles – Grow Giggles – Harvest Love

Bless these Blooms

One who plants a garden, plants happiness

Scatter seeds of kindness

Love - Faith - Wisdom - Joy The stepping stones in the garden of life

Meet me in the Garden

Miracles grow where you plant them

Plant kindness...Harvest love

The only thing I grow in my garden is tired

May all your weeds become wild flowers

We all need to be rooted in order to blossom

All the flowers of tomorrow are in the seeds of today

Without hard work nothing grows but weeds

I consider every plant hardy until I kill it myself.

Don't judge each day by the harvest you reap, but by the seeds you plant

HOME

This home established _____.

There's no place like home.

Love at home

Back door guests are best!!!

Home is where your story begins...

Home is where your mom is

Bless this home with the music of laughter

Home is where we hang our memories

We don't remember days...we remember moments

Heaven seems a little closer in a home by the water

A house is made of wood & stone, but only love can make a home

Home to laughter, home to rest, home to those we love the best

The doorknob is Home's handshake

Fill a house with love and it becomes a home

So much of what we know of love, we learn at home

In our home let love abide, and bless all those who step inside

Families: Ones you live with, laugh with, and love

Miscellaneous/Service

Entering a positive thinking area

DANCE

The soul is awakened through service

I love to Dance!

The more we share, the more we have

Tell the truth there is less to remember

FRIENDSHIP / TEACHERS

Where Friends Meet, Hearts Warm

Friends become chosen family

Kindred spirits

Forever friends

A teacher's memories can never be erased

Teachers rule

Today a reader, tomorrow a leader

Books are food for the brain

If friends were flowers, I'd pick you

Seeds of kindness grow friendship

Friendship is tied with heartstrings

I don't raise 'em...I just teach 'em!

Friendship isn't a big thing, its a million little things

Friendships are glued together with kindness.

When I get the urge to clean house, I lay down until it passes.
Show me a house that is excruciating clean and I'll show you an older, female relative about to visit it.
Please don't tidy my mess you'll only confuse me.
If cleanliness is next to godliness...we're in big trouble!
My wife and I always hold hands. If I let go, she shops.

Hard work never killed anyone, but why give it a chance?

AGE

I intend to live forever...so far, so good.
Young at heart, Slightly older in other places.
Seen it, done it, can't remember most of it.
The secret is to become wise before you get old!
I'm not getting old, I just need to be repotted.
I only golf on days that end in Y.
